

Description

Recessed-mounted luminaires ORCHID is made out of anodized aluminium profile. ORCHID luminary is recommended for: office spaces, schools, universities or public administration buildings etc.

Basic information

Family: ORCHID GK  
Product: ORCHID GK MPRM DALI BL 830 49 1135  
Index: BLS0000002782

Lighting and electrical parameters

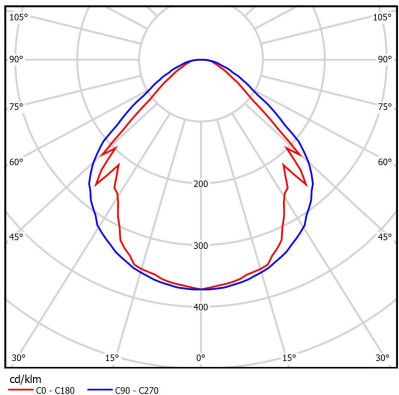

|                                           |                     |
|-------------------------------------------|---------------------|
| Light source                              | LED                 |
| Luminaire luminous flux [lm]              | 4985                |
| Power of luminaire [W]                    | 37.4                |
| Luminaire's light efficiency [lm/W]       | 133                 |
| Color of the light [K]                    | 3000                |
| CRI                                       | >80                 |
| SDCM (LED sources)                        | 3                   |
| Photobiological risk class (IEC/EN 62471) | RG0                 |
| Protection against electric shock         | I                   |
| Protection degree                         | IP44                |
| Voltage                                   | 220-240 V, 50-60 Hz |
| Lifetime of LED sources [h]               | 150000              |
| Lx/By                                     | L80/B50             |
| Operating temperature range [°C]          | 5 ÷ 30              |
| Driver                                    | DALI driver         |

Mechanical parameters:

|                    |                             |
|--------------------|-----------------------------|
| Assembly           | in the plasterboard ceiling |
| Material           | aluminum                    |
| Color              | black                       |
| Diffuser           | MPRM micropism              |
| Impact resistant   | IK06                        |
| Dimensions [mm]    | 1142 x 80 x 72              |
| Mounting hole [mm] | 1126 x 70                   |
