

Description

Suspension luminaire ORCHID SQ PZ is made out of anodized aluminium profile. ORCHID SQ PZ luminaire is recommended for: office spaces, schools, universities, conference halls or public administration buildings etc.

Basic information

Family: ORCHID SQ PZ  
Product: ORCHID SQ PZ-1,5m MPRM ALU 840 40 625  
Index: BLS0000005665

Lighting and electrical parameters

|                                           |                   |
|-------------------------------------------|-------------------|
| Light source                              | LED               |
| Luminaire luminous flux [lm]              | 4060              |
| Power of luminaire [W]                    | 26.4              |
| Luminaire's light efficiency [lm/W]       | 154               |
| Color of the light [K]                    | 4000              |
| CRI                                       | >80               |
| SDCM (LED sources)                        | 3                 |
| Photobiological risk class (IEC/EN 62471) | RG0               |
| Protection against electric shock         | I                 |
| Protection degree                         | IP44              |
| Voltage                                   | 220-240V, 50-60Hz |
| Lifetime of LED sources [h]               | 150000            |
| Lx/By                                     | L80/B50           |
| Operating temperature range [°C]          | 5 ÷ 30            |
| Driver                                    | LED driver        |

Mechanical parameters:

|                  |                           |
|------------------|---------------------------|
| Assembly         | pendant - slings required |
| Material         | aluminum                  |
| Color            | anodized aluminum         |
| Diffuser         | MPRM micropism            |
| Impact resistant | IK06                      |
| Dimensions [mm]  | 625 x 625 x 72            |
